Let's have a motorcycle ride for those who will not be golfing on the 19th. The landscape offers excellent rides for all motorcycle enthusiasts.

Ladies we are not forgetting you! This year we are hosting the first ever Wolf Pack event. Ladies you will divide into smaller groups, known as Wolf Packs. Each pack will have a widow. This is for the White Star wives. Wives of the men who returned with PTSD and committed suicide. Widows whose husbands died in training or other reasons are welcome as well. As a pack you will go out for the day and enjoy yourselves. We do not offer any special directions, except go have fun.

Here are a few options,

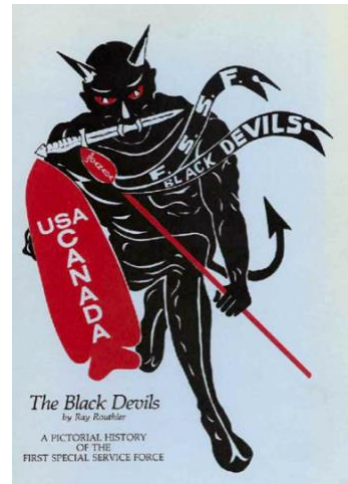

Moving on to the 20th. Let's go to Ft. Harrison. This is where the First Special Service Forces were started. You could say this is where it all began.

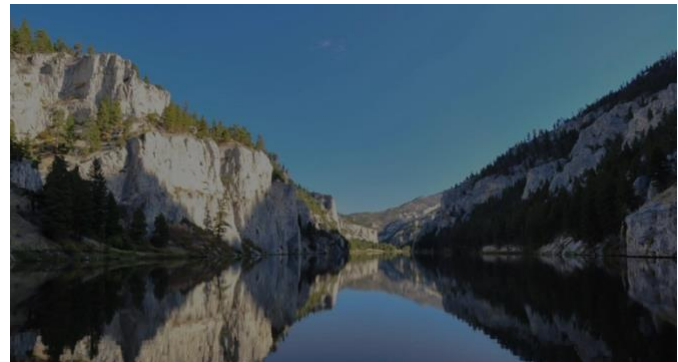

After visiting the museum we will have lunch on base and be briefed on the current training at Ft. Harrison.

Guaranteed to be a fun day.

As if that wasn't enough, we will finish off the evening with a tailgate party at a cigar lounge. And for those who wish to participate, we will enjoy a cigar and bourbon. Life is grand when you are with the. **1st Special Forces Group.**

What more could we offer, you ask? Ha, check out this trip, Gates of the Mountains on the 21st August.

At this boat trip we will sit down together and enjoy a catered meal. Keep your cameras charged. This will prove to be the trip of the year.

After this adventure we all go back to the hospitality room for a party, a raffle party. And for those of you who were in Mobile, you know just how fun this truly is. How about we end the night with a dance with our ladies.

And now we come to the end of our time to trip. Sorry to see this all end. But we will finish in style by having a banquet at a barndominium overlooking a lake in the mountains. We will dress for the occasion, but not too formal. We toast, drink, eat and be entertained.
